

LEARNING WITH RIGOR AND SUPPORT

# After School Program Grade 1-5

LEGEND LEARNING CENTER

## Well-rounded Program

The grade 1-5 after-school program benefits the students with a balance between academic achievements and social-emotional development. Students in the program are encouraged to take up challenges in a totally supportive environment.

### Who should attend?

Students who are looking for an environment to support their becoming independent learners. The after-school program is loaded with structured activities that promote social-emotional development alongside academic success. Teachers

actively train their students in the Executive Functions that include: response inhibition, working memory, emotional control, sustained attention, task initiation, prioritization, organization, time management, goal-directed persistence, flexibility, and meta-cognition.
